## REMARKS

In accordance with the Cancellation Notice previously mailed to you, this policy was cancelled for non-payment of premium on 03-04-2011. There is not now, nor has there been, any insurance in effect under this policy since that date.

If further clarification is desired, the Insurance Exchange will provide, upon written request of the named insured, the facts upon which the cancellation was based.

If you have any questions regarding the availability of future insurance protection, please contact your branch office.

<b>Point-of-Sale:</b>	Form applies at or prior to time of bind, including at time of quote	NO
<b>Download:</b>	Refers to documents sent to an agent through an agency management system	YES
<b>Agency Website:</b>	Blank sample of form must appear on intranet/extranet site- aaa4insurance.com; aaa.com; Passport; westernunited.com	NO

**Business use:**

This section identifies why the form is needed. Include regulatory info or anything else that may clarify its use

- This refund check is common to auto and property products for all states
- This refund check is system generated when there is credit balance on the policy for X days (see state table)
- This refund check is manually generated by the user.

**Business Requirements**

Form Usage - Standard	Trigger Event – Standard	Programming - Standard	State Exceptions
There is a credit balance on the policy	The credit balance has been on the policy for X days (see state table)	<ul style="list-style-type: none"> <li>System generates refund check</li> </ul>	States have different refund timeline requirements
A payment has been made on the policy	The user has manually generated a refund check for an amount equal to or less than the Total Paid amount	<ul style="list-style-type: none"> <li>System generates refund check</li> </ul>	

**Data Elements****DATA ELEMENTS SECTION (See form template for placement of data.)**

- **Static** = text will always display (all text is static unless otherwise specified)
- **Variable** = text is populated based on a condition (table driven)
- **Dynamic** = text is system generated based on specific policy information

**FIRST SECTION – ACCOUNT DETAIL**

This section identifies data elements (to the best of our ability).

“VARIABLES –standard” column will identify if text is static, has variables, and/or dynamic data, and format to be used.

“EXCEPTIONS” column will identify state/product specific deviations from the standard programming

Field Name/Text	Standard for Auto & Property	State & Product Exceptions
Policy Number	<ul style="list-style-type: none"> <li><b>Dynamic</b></li> <li>Description of data: policy prefix and number</li> <li>Data format: AAAAXXXXXXXXXX</li> </ul>	
Check No.	<ul style="list-style-type: none"> <li><b>Dynamic</b></li> <li>System-generated</li> <li>Sequential</li> </ul>	
Account Balance	<ul style="list-style-type: none"> <li><b>Dynamic</b></li> <li>Description of data: Total Due amount (debit or credit)</li> <li>Amount is preceded by – (minus) sign if credit</li> <li>Data format: \$ 9,999.99</li> </ul>	
Premium Period	<ul style="list-style-type: none"> <li><b>Dynamic</b></li> <li>Policy period for which refund was calculated</li> </ul>	
Premium Amount	<ul style="list-style-type: none"> <li><b>Dynamic</b></li> <li>Premium incurred for designated premium period</li> <li>Amount always appears in <i>Charges</i> column</li> <li>Data format: \$9,999.99</li> </ul>	
Current Term 05/24/2011 to 08/03/2011	<ul style="list-style-type: none"> <li><b>Static + Dynamic</b></li> <li>Description of data: Policy effective from and to dates, MM/DD/YYYY</li> <li>Description: <b>Charges= \$XXXX.XX, Credits = \$XXXX.XX, Total Balance = \$XXXX.XX</b></li> <li>Data format: \$X,XXX.XX</li> </ul>

### Notes

11/11/2011: Leverage CA Select refund check.

8/23/11(Jessica Cover): Per Angie Ray and John Richmond, WY must use the “AAA” logo instead of the “AAA Insurance” logo. The state feels the “AAA Insurance” logo is confusing because the DBA is different.

05/10/2013: AAA Insurance Regulatory, Compliance and Product Management Forms link will provide Auto and Property with the requirements for each state. The document is updated according to state regulations.
