User Story Title: H-EN-RATE-CA Calculate Premium for HO3 Endorsements V03

User Story Summary:

- Ability to calculate the premium for selected optional endorsement(s) and include it in the total policy premium for an HO3 policy.
- This user story is written based on the rate changes in CR H024. Rate changes in CR H024 applicable for calculating the premium for endorsements for HO3 CA policies are:
 - Revised rates for Scheduled Personal Property applicable for HO3 CA policies.
 Please refer to the attached Rating algorithm and Rating input sheet for more details.
- All CA CR H024 changes are driven by an effective date.
 Effective date for the CA CR H024 changes should be implemented in such a way (maybe via a lookup table) to allow the change of the effective date. See US 26046:H-INT-BACKCOMP-CA Backward compatibility - CA Property rate changes CR H024 - DOI that will drive the effective date for the changes in CR H024.
